

UNDERSTANDING ISLAM UK

MONTHLY ISLAMIC STUDY CIRCLE

ABOUT US

UIUK, is a non-political, non-sectarian Islamic educational organisation inviting all to understanding God's guidance through peaceful dialogue.

We are now offering family-friendly Islamic educational sessions where open and intellectually stimulating dialogue is encouraged in a respectable manner.

Our teachers and trustees actively encourage plurality of opinion and aim to build a community space where tolerant exchange of views can take place, leading to personal development and better understanding of the requirements of our religion.

OUR VALUES

Our values are based on the teachings of the Qur'an, the primary source of the understanding of our faith:

education
inclusiveness
unity
integrity
humility
